THE NEXT GENERATION
PHOTON INDOOR
PICKLEBALL

Own the indoors.
The GAMMA Photon Indoor ball—superior visibility and playability—proof that GAMMA never stops innovating.

• USAPA approved for sanctioned tournament play
• High-vis optic green for clear crisp visibility in any indoor environment
• 26 precision molded holes create consistent, stable and accurate ball flight so you can land the perfect shot
• Ultra-balanced 2-piece construction provides a true consistent bounce on all types of indoor surfaces, delivering outstanding playability

Target Zones
We worked with two fantastic Pickleball Instructors with a legacy of teaching to create a drill guide book for training and development. Target Zones contains 50 different exercises and drills to help take a player’s ability to the next level.

ATZ
Accessories

PB Backpack
This cleverly designed backpack sports two large compartments that hold up to 4 Pickleball paddles plus change of clothes, etc., and 2 side compartments for shoes, pickleballs, water or your favorite sports drink. 2 small accessory compartments catch the rest of your valuables to keep them close at hand.

PB Sling Bag
The GAMMA Pickleball sling bag is a clean, compact and efficient way to carry your Pickleball gear. The main section is perfect for two paddles, 6 pickleballs and many other small essentials. The mesh outer pocket is perfect for your water or sports drink bottle. The easily accessible small inner sleeve located right below the head phone port pouch holds your phone or iPod for easy access.

Ball Hopper Pickleball 50
Drills and practice leave pickleballs scattered about, and now GAMMA has the perfect answer. Our Ball Hopper Pickleball 50 leverages our strong Ball Hopper name and technology to make court clean-up a bit easier. Reinforced fiberglass rods ensure that the pickleballs will not suffer damage when using the basket. Holds up to 50 balls. Blue color.
